Meet & Taste Cards

Recipients of the cards

The Meet & Taste card is issued to people who are at least 18 years old.

One card per registered convention participant will be issued at the time of registration.

Value and validity

The card, whose value is variable depending on the convention, can be used on the day before and two days after the dates of the convention in question.

The cards are to be used on a bill with no minimum amount and are therefore divisible and can be used multiple times. They can also be used cumulatively on the same bill.

The card is personal, non-transferable and valid only when completed (name and surname to be indicated on the back) .

The amount on the card cannot be converted into cash. Replacement of the card in case of loss or theft is excluded.

Establishments that accept the card

The Meet & Taste card is only valid in establishments that have agreed to participate in the Meet & Taste campaign and that have registered with the Geneva Tourism & Convention Foundation. This includes restaurants, cafés and bars.

The full list of partners and establishments is available at:

Use of the card

The user presents the card to the establishment, which can debit an amount chosen by the user from the card and deduct it from the total amount of the bill. At any time, the user can check the amount available using the QR code on the back of the card.

Recycling of the card

Meet & Taste cards are made of recycled PVC and are recyclable. Once used, cardholders are encouraged to return the used card to the establishment where it was used, or to the convention organisers.
